Frank, and others,

I just wanted to inform you that pending signatures, we will have our money for technical support. As such, all plans for field activities should go forward for Falcon Refinery and Donna Canal.

I will not be able to be at the Falcon event due to other travel (boss called me to D.C.). I do plan to go down for at least part of the time for Donna Canal.

Frank, can you please share the boarder safety alerts from Ernesto with Raphael?

Barry
